February 2016- March 2018 Board Opportunity

The **Executive Community Citizens Board of Directors** (ECCB) is actively seeking passionate, diverse board members to help guide the organization as it grows.

Our Mission

The **ECCB** exists to provide opportunity and a voice for people while taking action for justice.

Our Values

- Courage: telling the truth and taking risks
- Community: fostering healthy relationships where people care about each other
- Creativity: pushing beyond the obvious to promote change
- Compassion: treating everyone with respect and accepting them as they are and ones views
- Integrity: doing what we say and taking responsibility for our actions

Our Programs

The ECCB helps people meet their community needs while we work together for the structural change that offers longer-term solutions. We do this through advocacy and cross-class movement building.

What the ECCB Unique

ECCB is a hand up — not a hand out — board members have a privilege of working collaboratively to direct and support an established community grassroots organization.

The ECCB Needs YOU

- You are passionate about economic justice
- You are excited about being part of a hard-working and respectful community team
- You have the time and energy to spend 8 -20 hours a month doing board work: attending board meetings, participating in committee work, and being an ambassador for Real Change in your community
- You are motivated to become a great community organizer and prepared to learn new skills to succeed in this role
